## Public Meeting Workshop #2

December 5, 2018

### Project Description

The purpose of this project is to identify a specific path for north- and south-running protected bicycle lanes between Dupont Circle, the western side of Downtown, and the National Mall on either 20<sup>th</sup>, 21<sup>st</sup>, or 22<sup>nd</sup> Street NW. As part of Vision Zero, this project seeks to build safer streets for all, including bicyclists, pedestrians, and drivers.
